To Whom It May Concern:

Andre Abrams is a person that has consistently demonstrated exceptional communication qualities and strong character by checking in every week as required. In addition to his weekly check in, he also contacts us about any travel outside of Alachua County. Such as taking his daughter to college, son to the Orland International Airport, family to Ocala, wife to Jacksonville for their anniversary and a few other places and or events.

Overall, Andre Abrams is an outstanding client when it comes to contacting this office as required.

Should you require any further information, please feel free to contact us.
