To Whom It May Concern:

I am writing to highlight the communication and dedication demonstrated by Mr. Andre Abrams, a client who consistently maintains positive interactions with our office.

Since bond was posted for Mr. Abrams on December 01, 2021—over three years ago—he has complied with check-in requirements. He contacts our office weekly as required and continues to notify us of any travel outside Alachua County, whether for family or church-related matters. His diligence in keeping us informed is a testament to his responsible character.

We greatly appreciate Mr. Abrams's commitment and would be happy to provide further details if needed.

Sincerely,

Carole Long,
Office administrator
