FILED IN OPEN COURT

D.C.

**TOSHIA WHITEHURST**

1           MR. NAGEL: All right. So we are recording.  
2   This is Ryan Nagel with the State Attorney's Office. I'm  
3   here with Detective Bernal with the Gainesville Police  
4   Department. Also present is Deborah Hunt, from regional  
5   counsel. And we are here with Timmie Rowe on the case of  
6   Dallvion Parker.

7           Mr. Rowe, your name was provided as a potential  
8   witness in this case involving Mr. Parker, so Detective  
9   Bernal is here to ask you some questions. I may follow  
10  up with some other questions, if I have any. Your  
11  attorney is present because you do have charges of your  
12  own. They're unrelated to this case, so I don't think  
13  we're gonna get into anything about your cases or what  
14  you're in the jail for. But in case we start to get  
15  close to it, Ms. Hunt is here, and she could interject.

16           Also, as an officer of the court, I'm here to  
17  make sure that you don't accidentally start talking about  
18  your case or anything like that. I haven't looked into  
19  your charges. I don't even know who the prosecutor is.  
20  I think that Detective Bernal mentioned that it might be  
21  something domestic. I might even be the prosecutor on  
22  the case. But that's to show you that I haven't even  
23  looked into it.

24           So the only thing I'm going to do first is  
25  swear you in. Now, one of the things I do want to tell

1     you, because you are here, is that in giving this  
2     testimony, I want you to understand that the State is  
3     making no promises that it's going to positively affect  
4     your case in any way. You know, I'm not making any  
5     promises of any consideration or anything of that nature.  
6     Really we're taking your testimony as a potential witness  
7     in the case.

8             And so I want to be clear that anything that  
9     you're telling us is done freely and voluntarily. We are  
10    here without a subpoena, so you don't technically have to  
11    talk to us. However, as a witness, it's possible that  
12    the state could subpoena you in the future about this  
13    case.

14            MR. ROWE: Okay.

15            MR. NAGEL: Do you have any questions for me  
16    before we get started?

17            (No verbal response. )

18            MR. NAGEL: I'm going to swear you in. Raise  
19    your right hand. Do you swear or affirm that the  
20    testimony you're about to provide is the truth, the whole  
21    truth, and nothing but the truth, so help you, God?

22            MR. ROWE: Yes, sir.

23            MR. NAGEL: All right. Detective Bernal, you  
24    can go ahead and start.

25            DETECTIVE BERNAL: Okay. Hey, Timmie. Again,

1 I may be repeating some of the questions that either  
2 Detective Meek or Detective Dose asked you previously,  
3 but I just have what they told me from the meeting with  
4 you, and I like to make sure I understand just talking to  
5 you face to face.

6 Okay. So my understanding is you knew  
7 Brittany.

8 MR. ROWE: I knew her for a long time.

9 DETECTIVE BERNAL: Tell me about that. Tell me  
10 about Brittany.

11 MR. ROWE: I mean, she would -- she was -- she  
12 was five personalities in one person. She was joyful,  
13 like full of life. I mean, even if she went through a  
14 bad scene, whatever she went through, she wouldn't even,  
15 like, let it be shown because she always keeps smiling on  
16 some positive aspect of it.

17 DETECTIVE BERNAL: Yeah. Yeah. A lot of  
18 people have (indiscernible).

19 MR. ROWE: I miss her, though. I miss her,  
20 though.

21 DETECTIVE BERNAL: You miss her. I'm so sorry  
22 for your loss. And we're doing everything we can to get  
23 her justice, okay?

24 MR. ROWE: I found out -- I found out a couple  
25 of days after by my homeboy called me and asked me about

1 it. I was like, nah. So I end up swinging by there,  
2 and when I pulled up, I seen the yellow tape, like,  
3 ripped down. So it was after the scene. Then I'm  
4 sitting there looking, and I seen the landlord come up.  
5 And I was like, somebody here? I see her eyes. I'm  
6 like, so it's true. She's like, yeah. Then on my end, I  
7 (indiscernible) like, damn, that's crazy.

8 DETECTIVE BERNAL: What was your relationship  
9 with Brittany?

10 MR. ROWE: I'm a friend friend. Like, I'm a  
11 benefit friend, friend with benefits.

12 DETECTIVE BERNAL: I gotcha. Okay. How long  
13 have you known her?

14 MR. ROWE: Probably about eight years, nine  
15 years, something like that.

16 DETECTIVE BERNAL: Eight years. So you know  
17 her.

18 MR. ROWE: I know her, know her.

19 DETECTIVE BERNAL: What had been going on with  
20 her? I know that she had a current boyfriend, Al. I  
21 know a little bit about him. But tell me about what had  
22 been going on. I know there's maybe some rocky romantic  
23 stuff going on for a couple months.

24 MR. ROWE: I'm gonna take you back to around,  
25 like, November, December.

1 DETECTIVE BERNAL: Okay.

2 MR. ROWE: That's when I say I'm a friend  
3 friend. It was like, okay, (indiscernible). I'm sitting  
4 in the house. I didn't know about Dallvion at the time,  
5 but, I mean, I've known him since middle school, but I  
6 didn't know him. Like I grew up with him. We just knew  
7 each other from middle school.

8 So I'm sitting in the house, and I've been with  
9 her all day, all day from, like, noon, like, all day,  
10 morning to -- morning to night, all day. And we  
11 chilling. So put this in perspective, she called him and  
12 tell him that she having a girl's night out, right? So  
13 he ain't coming. So when he do come that night, I'm  
14 sitting in the house, and (indiscernible). You feel me?  
15 She in the shower, in the bathroom. He come in with some  
16 bills and shit, and he put him down. She was like, what  
17 the fuck? He look at me crazy. Basically, he walked in  
18 on us. Well, not walked in on us actually, but he walked  
19 in on us.

20 So he put the bill down by the refrigerator.  
21 Because like this is how her house is, like, when you  
22 come through, you got the table right here, the kitchen  
23 right here. You got the long couch right here. You had  
24 the refrigerator right here.

25 So he puts -- he put the bills down, he reach

1 up, grabs something off the shelf, because, you know,  
2 it's like a shelf here. He grabs something from the  
3 shelf. Then when he do that, I get up, I  
4 (indiscernible). I get up out of there. But when I  
5 leave, I go outside and I wait. And he come outside, he  
6 get in the car, and he, like, double back. So when I  
7 seen him double back, the second time he leave out,  
8 that's when I leave. That's the first time.

9 Second time we in the house chilling. It's me  
10 and her, some other dude. I don't know him. So Dallvion  
11 walk in. Now we do the introduction to each other. So,  
12 like, hold on, let me talk to you or whatever. So we sit  
13 down, we talking. And his face, you can see his face,  
14 like, the aggression, just his demeanor. So we talk,  
15 whatever. I leave. I get him in the comfort zone to the  
16 point where I can leave. That's the second time.

17 The third time, it's nightttime. I'm sitting in  
18 the truck. I'm sitting in the truck like this. I'm in  
19 the (indiscernible) seat. She's standing at the  
20 passenger seat. Now, I don't know where he came from. I  
21 didn't hear him walk up. I ain't see him. But he heard  
22 everything this girl was telling me that she wanted me to  
23 do to her, etcetera. You feel me?

24 DETECTIVE BERNAL: I got you.

25 MR. ROW: All right. Back to the second part.

1 She didn't want him there.

2 DETECTIVE BERNAL: Yeah.

3 MR. ROWE: She didn't want him there. Like,  
4 yeah, she didn't want him there, but it's the third time  
5 he came up out of nowhere. So I don't know what  
6 happened, but she basically told me, yeah, it's an  
7 emotional thing.

8 The next thing you know, I ain't heard from --  
9 I ain't heard from him. I ain't heard from him. I guess  
10 they spit up or whatever. But he had a key to the house  
11 because that's how he came in the first, second time. He  
12 had a key to the house.

13 DETECTIVE BERNAL: That's how he came in the  
14 first and second time?

15 MR. ROWE: Yeah.

16 DETECTIVE BERNAL: Did you get the impression  
17 that all three of these times she didn't know he was  
18 coming?

19 MR. ROWE: I know for a fact she didn't know.  
20 Because the first time she told me (indiscernible) girl's  
21 night. The second time we chilling, he just popped up.  
22 The third time, he just came out of nowhere, like,  
23 literally out of nowhere.

24 DETECTIVE BERNAL: Yeah.

25 MR. ROWE: And he heard all that, like. He was

1 feeling hurt.

2 DETECTIVE BERNAL: Yeah. Tell me -- tell me  
3 why you say that.

4 MR. ROWE: Why his feelings hurt?

5 DETECTIVE BERNAL: Yeah.

6 MR. ROWE: Okay. This supposed to be your  
7 girl, right? Y' all going -- everybody go through  
8 things, but you sitting and hear your girl telling the  
9 next man what she want him to do to her.

10 DETECTIVE BERNAL: Yeah.

11 MR. ROWE: You feel what I'm saying?

12 DETECTIVE BERNAL: Yeah.

13 MR. ROWE: So, yeah. (Indiscernible) was  
14 putting him on the back burner.

15 DETECTIVE BERNAL: Yeah. Did she talk to you  
16 about him? Like, when they had split up or anything  
17 about him and how he acted?

18 MR. ROWE: No. See, this the thing about it, I  
19 got an ex homeboy, a previous homeboy who used to go with  
20 her. See, this how I put it together. If my ex  
21 girlfriend, even if I was with her three years ago,  
22 couple years ago, whatever, and I find out she got killed  
23 or whatever, I feel some type of way.

24 DETECTIVE BERNAL: Yeah.

25 MR. ROWE: I got an ex homeboy who used to deal

1 with her, who used to go with her. So I called him, and  
2 I hear his voice, the sorrowness, the sadness or  
3 whatever. So as all this going on, I'm talking to the  
4 landlord. So I asked her, like, (indiscernible). Like,  
5 y'all ain't heard from him? They're just like  
6 nonchalant, like, nah, we ain't heard from him or  
7 nothing. Now, (indiscernible) been a month. It's only  
8 been a month. You feel me? It ain't even been a whole  
9 month yet since they, quote, unquote, official broke up  
10 or going through it or whatever. So I'm like, that just  
11 didn't sound right to me.

12 DETECTIVE BERNAL: Right.

13 MR. ROWE: So that's (indiscernible) his name.  
14 And this is where we at now.

15 DETECTIVE BERNAL: Yeah. And then did you get  
16 to see the video that we had posted?

17 MR. ROWE: I saw it on YouTube.

18 DETECTIVE BERNAL: Okay. Tell me about that.

19 MR. ROWE: So I'm looking at -- I'm looking at  
20 his build, right? But also I'm looking at his shoes,  
21 because he had some shoes. I look at shoes.

22 DETECTIVE BERNAL: Yeah.

23 MR. ROWE: Yeah. I ain't never seen  
24 (indiscernible). So when (indiscernible), I'm like, I'm  
25 telling you, I saw them shoes before. They look like

1     some Adidas or something like that.

2             DETECTIVE BERNAL:   Okay.   Tell me about what  
3     they looked like.

4             MR. ROWE:   They had -- they had white stripes  
5     going down on the side of them.   On the side of them, you  
6     feel me?

7             DETECTIVE BERNAL:   Yeah.

8             MR. ROWE:   So that's why I say they looked like  
9     Adidas.   Plus, I know how he is -- how big he is, and I  
10    know the walk with it.

11            DETECTIVE BERNAL:   What about his walk stands  
12    out?

13            MR. ROWE:   He walk straight up with his chest  
14    pulled out a (indiscernible).

15            DETECTIVE BERNAL:   Yeah.

16            MR. ROWE:   You feel me?

17            DETECTIVE BERNAL:   Okay.

18            MR. ROWE:   Plus, I just (indiscernible),  
19    like -- I don't know.   It's just, you know when you know  
20    something, you feel me?   Yeah.

21            DETECTIVE BERNAL:   Okay.   When that first  
22    incident, when he went out and you said he doubled back  
23    in his car, what was he driving?

24            MR. ROWE:   It was a black -- I want to say --  
25    what it was.   It was a black -- I don't want to say it

1 was (indiscernible). I know he got -- he had a truck,  
2 too.

3 DETECTIVE BERNAL: Was this a truck or a car?

4 MR. ROWE: This is a car. But he also drive  
5 a -- he drive a truck too, but it (indiscernible).

6 DETECTIVE BERNAL: Okay. But this time he was  
7 in a black car?

8 MR. ROWE: Yeah. I want to say  
9 (indiscernible).

10 DETECTIVE BERNAL: Okay. And each of these  
11 times, you know, I mean, you're saying she hurt his  
12 feelings. You know, he's finding you over there more  
13 than once, right, so he knows you're competition. Did he  
14 say anything to you?

15 MR. ROWE: I see it in his eyes. The second  
16 time -- the first time, there was no introduction. Like,  
17 he walked in, I got (indiscernible). I got up out of  
18 there. Then the second time he walked in, she was like,  
19 what you doing here? Like, she got disturbed and  
20 whatever. Like, what you doing here? And I like -- he  
21 was like, who this is, you know, this and that. I was  
22 like, shit, I'm (indiscernible) back to back  
23 (indiscernible), I mean like two times in a week. Like,  
24 the first and second time happened in one week.

25 DETECTIVE BERNAL: The first and second time

1     were in one week?

2                 MR. ROWE:   Yeah.

3                 DETECTIVE BERNAL:   But would he say anything to  
4     you?

5                 MR. ROWE:   (indiscernible) whole conversation  
6     at the same time.   When I say the conversation, I mean, I  
7     (indiscernible).   I seen how he looked mad.   And I was  
8     like, oh, yeah, I'm T. Rowe.   So he was like, oh, you T.  
9     Rowe?   I'm like, yeah.   And we sat there and drunk a beer  
10    and stuff together.

11                DETECTIVE BERNAL:   But you said --

12                MR. ROWE:   I don't even drink beer, but I told  
13    him the situation (indiscernible) like drinking beer.

14                DETECTIVE BERNAL:   Yeah, but you said he seemed  
15    mad?

16                MR. ROWE:   Yeah.

17                DETECTIVE BERNAL:   Yeah.   What -- tell me about  
18    that.

19                MR. ROWE:   When I said mad, you can see his  
20    forehead, like, his veins in his forehead coming out and  
21    stuff like that.

22                DETECTIVE BERNAL:   Yeah.

23                MR. ROWE:   That's fucked up (indiscernible).

24                DETECTIVE BERNAL:   But did Brittany say if he'd  
25    ever caught someone besides you there with her?

1           MR. ROWE: No, she never said nothing like  
2   that. I had (indiscernible) saying, I didn't know they  
3   was together.

4           DETECTIVE BERNAL: Yeah. Do you know anything  
5   about someone breaking her door or kicking in her door?

6           MR. ROWE: Her door was already broke, from my  
7   understanding.

8           DETECTIVE BERNAL: Yeah. Do you know how it  
9   got broken?

10          MR. ROWE: Oh, he came in (indiscernible) did  
11   it.

12          DETECTIVE BERNAL: He did that?

13          MR. ROWE: Hell, yeah.

14          DETECTIVE BERNAL: He's the one who broke in  
15   her door.

16          MR. ROWE: He (indiscernible).

17          DETECTIVE BERNAL: Was that when you were  
18   there?

19          MR. ROWE: No. This is like when I left.

20          DETECTIVE BERNAL: Okay.

21          MR. ROWE: The bottom of the door, because --  
22   she had a regular lock. At the bottom she had like  
23   (indiscernible) -- at the bottom of the door she had  
24   like -- what that shit called? It's a lock though.

25          DETECTIVE BERNAL: Like a deadbolt?

1 MR. ROWE: No. It's like a latch you slide  
2 over, one of them type of locks, you feel me?

3 DETECTIVE BERNAL: Yeah.

4 MR. ROWE: I asked him what the fuck happened  
5 to the door. And that's when I heard about the argument  
6 with them. (indiscernible) had an argument with him.

7 DETECTIVE BERNAL: When was that compared to  
8 the first, second or third time?

9 MR. ROWE: All right. Where we at, February?  
10 She died in January. It was like late December.

11 DETECTIVE BERNAL: Okay. So he broke in her  
12 door in late December?

13 MR. ROWE: Yeah.

14 DETECTIVE BERNAL: And you said it was during  
15 an argument. Did she tell you what that was about?

16 MR. ROWE: She didn't want him no more.

17 DETECTIVE BERNAL: She didn't want him to come  
18 over?

19 MR. ROWE: No, she didn't want him no more,  
20 like it's over with.

21 DETECTIVE BERNAL: Oh, okay. Okay. Trying to  
22 think. Anything else about him that just kind of stood  
23 out or that you remember him saying to you or to her?

24 MR. ROWE: No. He was gonna fuck her up  
25 though.

1 DETECTIVE BERNAL: What was that?

2 MR. ROWE: He was gonna fuck her up.

3 DETECTIVE BERNAL: He said he was going to fuck

4 her up?

5 MR. ROWE: Yeah.

6 DETECTIVE BERNAL: Okay. What time --

7 MR. ROWE: This is the third time right here.

8 This is the time when she hurt his feelings, when he

9 heard her saying what she wanted me to do to her.

10 DETECTIVE BERNAL: And when was this third

11 time?

12 MR. ROWE: This is like December.

13 (indiscernible) It was late December, I believe.

14 DETECTIVE BERNAL: You said you've known of him

15 at least since middle school?

16 MR. ROWE: Yeah, we went to middle school

17 together. After that, I ain't heard from him until we

18 had an introduction with each other.

19 DETECTIVE BERNAL: Okay. Did you ever know him

20 to carry a gun?

21 MR. ROWE: Nah. But he grabbed a pistol when

22 he had -- like first when he walked in. When he put the

23 bills down, he grabbed some weed and he got the pistol

24 there. That's what I left.

25 DETECTIVE BERNAL: Okay. That was what was on

1 top of the fridge, was a pistol?

2 MR. ROWE: And weed. Not on top -- not on top  
3 of the fridge.

4 DETECTIVE BERNAL: Okay.

5 MR. ROWE: It's a shelf.

6 DETECTIVE BERNAL: On the shelf?

7 MR. ROWE: It's the refrigerator -- it's the  
8 stove, refrigerator, and it was a shelf.

9 DETECTIVE BERNAL: Okay. Did you see the  
10 pistol?

11 MR. ROWE: Hell yeah.

12 DETECTIVE BERNAL: What did it look like?

13 MR. ROWE: I want to say like a -- it was  
14 black, between a 9 and a .40, something like that.

15 DETECTIVE BERNAL: Semi-auto?

16 MR. ROWE: I don't know.

17 DETECTIVE BERNAL: You don't know?

18 MR. ROWE: Yeah. I just saw -- I just saw him  
19 grab it like this.

20 DETECTIVE BERNAL: Okay.

21 MR. NAGEL: I think, when Detective Bernal says  
22 semi-auto, do you know the difference between like a  
23 semi-auto or a revolver?

24 MR. ROWE: It wasn't a revolver.

25 MR. NAGEL: So it's one that, like, would have

1 a slide that you would pull back?

2 MR. ROWE: Yeah.

3 MR. NAGEL: Okay.

4 DETECTIVE BERNAL: I know you were able to look  
5 at the lineup last time with Dose and me, so I appreciate  
6 that. I turned off the light on you.

7 Anything else that they asked you then, or  
8 anything that you have questions about for me?

9 MR. ROWE: Not really. That's just crazy how  
10 it all happened, though.

11 DETECTIVE BERNAL: Yeah. Was there something  
12 else? Because I thought Meek had said maybe you were  
13 wanting to talk to me again or talk to us again.

14 MR. ROWE: No, no, that was it. I wanted to  
15 see what was going on.

16 DETECTIVE BERNAL: Okay. I didn't know if  
17 something maybe had popped into your head since you got  
18 to talk to them.

19 MR. ROWE: No.

20 DETECTIVE BERNAL: Okay.

21 MR. NAGEL: Did you know -- I know we talked a  
22 lot about Brittany. Did you know any of the other guys?  
23 Let's start with Trayvon. Did you know him?

24 MR. ROWE: Yeah, I know him.

25 MR. NAGEL: How did you know him?

1 MR. ROWE: That's Alomanz nephew.  
2 MR. NAGEL: Say that again?  
3 MR. ROWE: That's his nephew.  
4 MR. NAGEL: Trayvon was your nephew?  
5 MR. ROWE: No. It's Alamonz nephew, I think.  
6 MR. NAGEL: Okay. And who's Alamonz?  
7 MR. ROWE: That's the -- she didn't go with  
8 Alamonz. She just babysit his baby.  
9 MR. NAGEL: Had you ever seen him at Brittany's  
10 house before?  
11 MR. ROWE: Uhn-uhn. (Indiscernible) me and  
12 Trayvon was over there.  
13 MR. NAGEL: Sorry, I said "him." Had you seen  
14 Trayvon at Brittany's house before?  
15 MR. ROWE: Yeah.  
16 MR. NAGEL: Okay. But you never seen --  
17 MR. ROWE: Alomanz in there.  
18 MR. NAGEL: How do you spell -- is that A-L-A-  
19 M-O-N?  
20 MR. ROWE: I would say, yeah.  
21 DETECTIVE BERNAL: There's a Z at the end, too,  
22 maybe.  
23 MR. NAGEL: Okay. Was he -- was Trayvon ever  
24 at Brittany's house during those three times that you  
25 mentioned that --

1 MR. ROWE: Uhn-uhn.  
2 (Indiscernible crosstalk)  
3 MR. ROWE: It was the fourth time we met, but  
4 it was (indiscernible).  
5 DETECTIVE BERNAL: Trey (indiscernible).  
6 MR. ROWE: Trey.  
7 DETECTIVE BERNAL: Yeah. Yeah.  
8 MR. ROWE: Okay. All right.  
9 MR. NAGEL: How about Charmie Owens, did you  
10 know him?  
11 MR. ROWE: Who?  
12 MR. NAGEL: Charmie.  
13 MR. ROWE: No.  
14 DETECTIVE BERNAL: He went by Jody.  
15 MR. ROWE: No.  
16 DETECTIVE BERNAL: Did she ever mention a Jody?  
17 (No verbal response.)  
18 DETECTIVE BERNAL: Okay.  
19 MR. NAGEL: And how about --  
20 MR. ROWE: Brittany knows -- she knew a lot of  
21 people now.  
22 DETECTIVE BERNAL: She did. She had a lot of  
23 people who cared about her.  
24 MR. NAGEL: How about Frank, Frank Legrand, did  
25 you know him?

1 MR. ROWE: No.

2 MR. NAGEL: Okay. When you mentioned -- you  
3 said that Dallvion said that he was gonna fuck Brittany  
4 up. Did you hear him say that?

5 MR. ROWE: Hell, yeah.

6 MR. NAGEL: That was when he was at the truck?

7 MR. ROWE: Yeah, (indiscernible) the truck.

8 MR. NAGEL: Okay.

9 DETECTIVE BERNAL: How did she respond?

10 MR. ROWE: She was trying to talk to him  
11 (indiscernible) a little bit. But he wasn't hearing that  
12 shit. Yeah, he wasn't hearing that shit. It started  
13 like, what the fuck, bitch. (Indiscernible) I'm telling  
14 you. You got me fucked up. I'm like, man, what the  
15 fuck? (Indiscernible) So I called my people to come get  
16 me.

17 MR. NAGEL: Have you heard anybody around the  
18 pod or anything talking about Dallvion or the murder?

19 MR. ROWE: No. I didn't know he got caught  
20 until, like, I came in here or they had been talking to  
21 me. I found out, like -- matter of fact, I just found  
22 out last week. Yeah, they (indiscernible).

23 DETECTIVE BERNAL: He went up there, yeah.

24 MR. ROWE: Yeah. But how I know that?

25 DETECTIVE BERNAL: How do you know that?

1           MR. ROWE: You see what (indiscernible)? How I  
2 know that?

3           MR. NAGEL: That's what we're asking you.

4           MR. ROWE: That's why I'm trying to tell Meeks.  
5 I like Meeks. Listen, I'm very well -- hold on, let me  
6 phrase this. I used to be heavy in the streets. So you  
7 gotta understand, like, when I say heavy in the streets,  
8 I mean, I be deep in the streets. So I get more  
9 information than y'all get over like --

10          DETECTIVE BERNAL: Yeah. Can we go -- can we  
11 pause this for a second?

12          MR. NAGEL: Yeah. Hold on one second.

13          (A brief pause.)

14          All right. So we took a brief pause. We are  
15 back on the recording. Still present is Deb Hunt,  
16 Regional Counsel, Mr. Rowe, Detective Bernal, Ryan Nagel,  
17 State Attorney's Office.

18          MS. HUNT: And for the record, I would  
19 encourage you, Mr. Rowe, to discuss the details of the  
20 different incidents you know about with Detective Bernal  
21 and Mr. Nagle.

22          MR. ROWE: Yeah.

23          MS. HUNT: It is my advice that, as long as it  
24 doesn't involve anything involving you, that you speak  
25 about what you know.

1 MR. ROWE: All right.

2 DETECTIVE BERNAL: So we've talked about  
3 Brittany. Is there anything else for her case that you  
4 need me to know? Okay.
