CERTIFICATE OF COUNSEL

The undersigned attorney for the Defendant certifies as follows:

- 23. To the best of my knowledge and belief, the statements, representations and declarations made by the Defendant in this petition are voluntary and in all respects accurate and true. S/he fully understands them.
- 24. I have read and explained to the Defendant the allegations contained in the Information(s), as well as the maximum penalty for each count. I have discussed with the Defendant the facts and circumstances about the charges and any lesser included offenses. I have explained to the Defendant the possible penalties to which s/he may be subjected as a result of this plea. (Initial the paragraph that applies.)
 - Preb.

I believe the Defendant and I are fully informed on all such matters. I have fully investigated this case and all witnesses for and against the Defendant (including alibi witnesses if any were revealed to me). I have discussed with the Defendant the defenses available to him/her and motions that might be filed on the Defendant's behalf. Because the Defendant wishes to accept the State's plea offer, with the Defendant's agreement, I have not fully investigated his/her case or talked to all of the witnesses.

- 25. The plea of guilty/nolo contendere being entered by the Defendant is in accord with my understanding of the facts, the law and possible defenses. If the Defendant is to receive a sentence of incarceration, I have not promised the Defendant that s/he will serve a specific length of time incarcerated. I have made no promises to the Defendant that are not set forth in this agreement to induce him/her to enter this plea, nor have I threatened, coerced or intimidated the Defendant in any way to induce him/her to enter this plea.
- 26. Having discussed this matter fully with the Defendant, it is my opinion that s/he is mentally and physically competent, and there is no mental or physical condition which would affect his/her understanding of these proceedings. I have no reason to believe that s/he is under the influence of drugs or alcohol at this time. The exceptions to this are listed in Paragraph 8.
- 27. I have explained to the defendant that if s/he is not a citizen of the United States, this plea may result in his/her detention and deportation/removal from the United States and/or stop him/her from being able to legally enter or re-enter the United States. I have further advised the defendant that s/he has the right to seek individualized advice from me about the effect this plea will have on his/her immigration status prior to entering the plea. Initial the applicable paragraph:
 - I have provided the defendant with individualized advice regarding his/her immigration status. I have not provided the defendant with individualized advice regarding his/her immigration status.
- 28. I have explained to the Defendant the difference between a direct appeal and a collateral attack upon his/her conviction. I have advised the Defendant that if s/he is now pleading to a sexually violent offense or if s/he has previously been convicted of a sexually violent offense as that term is defined in Section 394.912(9), Florida Statutes, s/he may be subject to the provisions of the Jimmy Ryce Civil Commitment Act, Section 394.910, et. seq., Florida Statutes, which allows the State to commit to a secure treatment facility a person who has been convicted of a sex offense and who is determined to be likely to commit a violent sexual offense in the future.
